## Headteacher's News

During our recent lesson observation round it has been fantastic to see our children challenged, engaged, collaborating, supported and making strong progress in a range of curriculum subjects.

Governors have also been busy – coming in to meet with staff to discuss the developments in science and art, talking to parents in Foundation Stage, carrying out a Learning Walk to look at the School Development Plan in action.

We are currently looking at the class structure for next year and you will receive letters on Monday 1<sup>st</sup> July letting you know which class your child is going in to in September. The current Year 2 children will return to their class grouping of last year and the current Reception and Year 1 children will be split into three groups to make up 3 classes of mixed Year 1 and 2. There will be a short parents meeting open to any parent of a current Reception or Year 1 child to explain the process on **Monday 24<sup>th</sup> June at 2.30pm.**

## Information

### Parent's Links

Please note that there is a new page on the website under 'Parent's Links' for trip information. You will find kit lists there for trips and activities such as Haven Banks and Kilve and links to websites.

### Parking

We had a complaint from a neighbour on Ringswell Avenue this week about inconsiderate parking across her drive in the morning. This caused her to be late for an appointment. Please park considerately and do not block our neighbour's drives. We encourage any neighbours to report any incidents directly to the police including number plates.

### Football Tournament Report by Miss Frost

The St Nicholas KS2 team were fantastic at our recent tournament and both teams were triumphant, winning overall. Please see the website for a full write-up by Miss Frost and photos of the day.

### Chickens Eggs

We were very excited today when we checked the chickens and found our first 'blue' egg from our Devon Blue chicken, Nutmeg (the white one).

### Yr 5 visit to Willmott-Dixon building site at Middlemoor by Megha and Amber

The Yr 5s went to see the builders Willmott-Dixon in action. Our favourite part of the trip was going onto the rooftop and seeing one of the completed [police] cells. Compared to the ground floor the rooftop was not as far on in terms of progress. The view from above was very different because we were very high up. The police cells did not look as horrible as you may think but they were very simple. Photos can be seen on the website.

### Visitor System

We are trialling an electronic visitor system in the Office next week to determine if it suits our needs better than paper visitor books.

## Safeguarding

Teachers are now using an electronic registration system. Please make sure you contact us if your child is absent **as soon as possible and please indicate the nature of the illness**. This avoids the office having to call you to find out why your child is not in school and ensures we know where every child is for safeguarding purposes.

## School Council

The children's votes have now been counted to name the school chickens as follows:  
 FS chicken (Brown) is called Fluffkins  
 Yr 1/2 chicken (white) is called Nutmeg  
 Yr 3/4 chicken (grey) is called Oreo  
 Yr 5/6 chicken (black and gold) is called McNugget.

## Pentecost Liturgy

Well done to Powderham Class who led the Pentecost Liturgy so beautifully this morning.

## Used toner and printer cartridges

To raise more funds we are also collecting used toner and printer cartridges. We have a collection box in Reception in a new 'Recycling Zone' for branded cartridges and toner. You can go to [www.emptiesplease.com](http://www.emptiesplease.com) to check whether yours are eligible for recycling and add them to the correct box. Unfortunately they are UNABLE to recycle compatible or remanufactured toner cartridges (Non branded cheaper alternatives to branded toners), Waste toner powder containers / boxes / bottles and Drum and imaging units. If you would like to take a bin to work on behalf of your school we can organise a pack for you – please contact Ali in the office. Your company's waste may provide our school with some much needed resources!

We are also still collecting used batteries – the collection bucket is in the Recycling Zone in Reception.

## Father's Day Prayer

*Thank you for my dad. He works so hard to take care of me. Help me to be more thoughtful of him, to notice when he's tired, and be kind and helpful. Help me to cheer him up with hugs and humour when he's down, to give to him, and not always take from him, to listen to his worries and do nice things for him. He is a great dad.*

*Please, look after him, help him at work, help him to rest, and give him health and happiness every day.*

*Amen.*
