Living and Learning in  
Spirit and in Truth

Headteacher: Mrs A Folland

## Headteacher's News

Attendance is always a high priority as part of our safeguarding work. As you will be aware, the statutory assessments for Year 1 phonics, Year 2 and Year 6 SATs will be taking place over the next few weeks as well as the end of year assessments for Reception children. These assessments are a vital measure of the school's impact on learning.

Please ensure that your child is on time and attends school every day in order for us to prepare them as much as possible because children can become overly anxious if they do not feel prepared. All year groups are Teacher Assessed at the end of the year and their outcomes will be shared in their annual reports in the week beginning 10<sup>th</sup> July.

## British Values

This week's assembly was based on the story of Rapunzel so that the children could access the concept of crime and punishment.

The children discussed whether the punishments fitted the crimes and heard about how justice should be applied in a measured way to fit the wrong doing. We talked about the 10 commandments and how they give us or values for a Christian life.

Is locking a child in a tower for the theft of a lettuce just?

In a science lesson last week Mrs Quinn took Yr 1 children out to the entrance of the school to sit quietly and record all the sounds they could hear.

### Weekly Prayer

Lord, thank you for walking with us through the seasons of our lives.

For the winter, when we are held safe in your arms through the darkness.

For the hope of spring, as we are filled with new promise and life.

For summer time, full of warmth and colour  
And for autumn days as leaves fall to seed new growth.  
You are always with us. Amen.
