Headteacher's News

I think we were all a bit speechless yesterday at the Race for Life: so many children running for so many friends and family members and all having a fantastic time doing something so positive for the wider community. What an amazing team effort for St Nicholas!

We have just begun two exciting projects focus on Maths and Writing working alongside colleagues from other schools to improve the standards in these subjects. Watch this space for further details.

Information

Race for Life

Thank you to parents, families and friends of St Nicholas School who supported our fund raising events this week. We held a Macmillan Coffee morning on Wednesday and raised over £130 from donations for cakes provided by staff and parents.

We then held our Race for Life Event this morning and all children, from Nursery to Yr 6 ran up to 4k. We were blessed with a sunny warm morning and the children were very excited to run the route together around the school grounds. Staff acted as marshals to guide the children along the route and keep them safe and Sandra, our Catering Manager, even ran the race alongside the KS2 children and completed 4 laps of the school. They all received a medal and a cake once they had finished their race. We were delighted that our local Councillor, Emma Brennan, came to support the event and hand out the medals alongside Fr Jonathan Stewart from Blessed Sacrament Church.

After the race they enjoyed a 'bagged' picnic lunch on the playground. From donations received to date we have made well over £2,000 which will be divided between Cancer Research UK, Clic Sargent and Macmillan. Thank you all very much.

Please see the school website for many more photos.

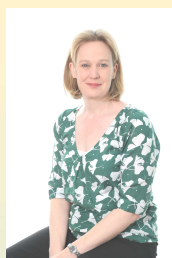

British Values

Democracy is a key British value and can be seen in action in every classroom this week as the children vote in their School Council Reps.

Each child wishing to stand has had to prepare a short speech and following that the class will vote for their rep. The School Council is such a great way for children to have a voice in school improvement!

Governor News

At the first Full Governors meeting of the year Lisa Thomas completed her term of office and stepped down both as Chair of Governors and Community Governor. The Governors thanked her on behalf of all staff, governors and children for her dedication to the role and support of the school.

After a Governor's vote Jane Wardle, a Foundation Governor, was elected to be Chair of Governors for a term of one year. She can be contacted on chair@stncls.uk.
