September 2018

Dear Parents,

Welcome to Nursery at St Nicholas! We hope you all had a lovely summer break. It is great to see all the children we know back in the Foundation Stage and we offer a warm welcome to our new children and their families.

For the first few weeks we will be concentrating on supporting all children to feel settled, happy and ready to explore and learn. As the term progresses we will be exploring the lots of new learning as well as following the children's interests. Look out for the weekly learning which will be posted on Tapestry to share current learning and tasks you can support your child with at home.

Below is some further information you may find useful.

School Dinners:

If your child would like a school dinner, please tell a member of staff in the morning and they will order one for you. Please let us know if your child would like the vegetarian option or a jacket potato as these are cooked to order.

Amending sessions:

If you would like to change any sessions, add any additional hours or book into Before and After School Club please go to the office and they will be able to help you.

Internal Doors:

If you are entering the Foundation Stage through the internal doors, which lead in from the Key Stage One corridor, **please use the top and bottom handle and make sure the door is shut securely.** This is to ensure the children cannot open the doors independently and to keep them safe.

Tapestry – Online Learning Journey:

Please return the Tapestry permission slip as soon as possible so that we can create your child's account and you can log on to see what we have been doing at Nursery.

If you have any questions please ask a member of the Foundation Stage team.

Many thanks,

Miss Davey
Nursery Teacher
