FAITH AND ETHOS		
THE SCHOOL	PARENTS / GUARDIANS	PUPIL
We will ensure that every child develops fully as a member of the school, parish and wider community.	I will help my child to participate fully in the life of the school and will attend masses, liturgies and assemblies and PTA events when I can.	I will join in happily with things happening within and outside school.
We will support and encourage children in the development of their Christian faith and ensure that they have an awareness of the diversity of other faiths.	I will support the School's Catholic ethos and Christian values and work with the school to help develop my child's understanding of their own and others' faiths.	I will take part fully in prayers, RE lessons, assemblies and church events and will respect the faith of others.
We will offer opportunities for children to experience awe and wonder around them and to develop and deepen their own spirituality.	I will encourage my child to develop a sense of awe and wonder and to develop and deepen their spirituality.	I will be open to new experiences that deepen my spirituality.
