I wonder why Jesus walked on water and what his friends thought when they saw him?

I wonder how Jesus shows his love for you and your family?

I wonder what you can do to keep your eyes 'fixed on Jesus' when scary or worrying things happen to you or when you have a challenge to overcome?

'I can do all things through him who strengthens me.' (*Philippians 4:13*)

Lord Jesus, Thank you for your power over nature and for your love for me. When I am worried or anxious or upset, when I have a challenge to overcome, help me to remember that you are with me, guiding me and loving me. Jesus, you are calling me to do wonderful things. Help me to trust in your love and follow you so that I can achieve them. Through Christ our Lord, Amen.

Night night, sleep well, God bless x
